# The Greatest Super Bowl Team of All Time!

(FOR US TO KNOW... AND YOU TO FIND OUT!)

## SUPER SUNDAY®

Find out for yourself which football team was the best ever. Find out who were the really best coaches... and who were the bums. Find out who were best under pressure. Was it the really best Jets? Joe Thiesmann and the Colts? Johnny Vince Lombardi who made it was Packers or the Super Sunday sets the stage for YOU to take control. Here YOU can call the plays, plan the strategy and maneuver the real-life players. Who knows, you might make a great coach.

**Now YOU Get that Chance!**

Super Sunday gives you the 20 greatest Super Bowl teams of all time, computer analyzed to perform with proper guidance, just as they did in real life. In Super Sunday you can match up any team against any other regardless of year... here's your chance to resolve once and for all who the best of the best really is.

### Three Modes of Play!

Super Sunday is really 3 games in one; you can play head-to-head against another live opponent in the 2-player version... or play solitaire against the computer programmed to react to your strategy... or set the computer on autoplay and watch the computer play against itself.

Regardless of which version, you will be amazed at the graphics. This is the only statistically authentic game to give you all 22 players on the screen at once going through the actual play in animated action.

### The Greatest Super Bowl Team is...

We're not giving away any secrets—just set your game on autoplay and you might get the answer. But, if you think you're a coaching genius, by playing the other versions you might change history after all. Super Sunday challenges you to do just that!

Super Sunday by Quest Inc.
